Post Commander Jim's Comments

The Post Remodeling Project is complete and the post has once again reopened for Bingo and Business. The actual Grand Reopening for the Post is scheduled for July 4th. I hope everyone will come down to the post home on that day and take part in the festivities. At least come down and see how beautiful the post looks. I am sure you will be impressed. You may also want to make a donation to the project, as fundraising efforts will continue to be held.

Many things will be happening during the month of July for which volunteers will be needed. See the article on the front page for a list. The more volunteers we have to help, the shorter amount of time the work will take.

Thank you to those who helped put up and take down the flags on Flag Day, June 14th. There were enough volunteers that it only took 15 minutes each

time.

During the past year, information has been disseminated concerning the American Legion State convention coming to Ames July 13-15. This is the first time Ames will be hosting this event. Legion, Auxiliary, Sons of the American Legion, and Legion Riders will be coming to Ames that weekend. The Legion Family of Ames Post 37 want to make sure everyone who comes that weekend will be welcomed and enjoy their stay in Ames.

In order for this to happen, many volunteers will be needed at various times that weekend. We will once again be putting up flags along Main Street and Fifth Street at 7:00 a.m. on Friday, July 13 and taken down at 5PM on the 15th. Again, the more people we have to assist in this effort, the shorter it will take.

On Friday night, I am sure many at-

tending the convention will be visiting our newly remodeled post home. We may need help that night.

Saturday, July 14 will be the day we will need the most help. Saturday, about 3:00 p.m., we will need volunteers to set up fencing in front of the post where people can sit outside and socialize and watch the convention parade. We also need volunteers to be stationed at barricades along the parade route Saturday evening from 5:00 to 7:00. Two volunteers will be needed at each barricade. During and following the parade, volunteers will be needed to help serve food. Assistance will probably also be needed in the post during the night to help clean up.

By all working together, we can make the weekend of July 13-15 an enjoyable and memorable one and show off our Post.

As you can see we are not full, so if you are interested in any of the open posi-

tions, or you might have an interest in one of our committees, please contact me.

Membership stands at 168. Remember there is a new key system at the post, all you have to do is buzz in and show your current card to the bartender so you can be issued a new key fob.

Remember that Ames will be hosting the American Legion Family Department Convention, for the first time ever. We want to show the rest of the Posts across Iowa just how Nice our Post and Our Town are. Please let us know if you are available to help with any of the plans. Convention dates are July 13th

thru 15th. Please show your support.

The joint Legion Family Installation will be held on our monthly meeting night, July 10th at 7:00pm. We will hold a short meeting to make any plans for upcoming events, at 6:30pm. I have asked PNC Dave Rehbein to be our Installing Officer. Everyone is invited to attend, I would ask that all members being installed wear a white shirt and tie.

We always need volunteers to help work bingo and when we start Dinners again, your dues are important to the squadron to help keep us going, but your involvement in our projects would be priceless.

Membership Renewal Notices Coming

So you've been asking just what are these fob things that we have

been saying will replace the keycard that you get each year when you renew your dues. The blue oval that you see in the picture above on my keychain is a fob.

There is a magnetic chip inside that is unique to each fob. To use it, a member holds it near the sensor on the front door, the system will check if that person's dues are current and if so, will unlock the door. No slot to stick the card in, only one hand required and it

lasts forever, we just need to change the expiration date each year when you renew.

Speaking of renewing, if you haven't seen a renewal notice in your mailbox yet, you soon will. That notice should arrive about July 1. You can mail your renewal check to the post or better yet, bring it in because coming in is the only way to get a fob.

July 4 would be a great time to stop, renew your dues, get your fob, enjoy the reopening festivities and watch the parade downtown. We would like to be able to turn in a big stack of dues at the state convention the next weekend.

Renew your dues, get your fob, have a fun day and see some old friends.

National Commander, State Convention to be in Ames

An honored guest at the Iowa American Legion convention to be held in Ames is National Commander Fang Wong. He will arrive on Friday and depart on Sunday. His address to the Legion family members will be

during the joint session on Friday evening.

This will mark the first time that Ames has hosted the convention in the nearly 100 year history of the Legion. For those not

familiar with the convention, these are the main business sessions for all three organizations.

There will be a joint session Friday evening to hear from our State and National officers that are present. Saturday will see separate sessions for the Legion, Auxiliary, Sons and Riders. Those sessions will consist of committee reports summarizing the past year's activities and other business. Detailed information on the Saturday sessions can be found in the Iowa Legionnaire. An electronic version is available on the Iowa American Legion website,
